## **Children Back to School.**

- Remain alert for children walking and riding their bikes to school in the mornings and from school in the afternoons. Parents should be familiar with the child supervision policy and matrix in Garrison Policy Letter 13-39. If a child requires supervision please accompany them to and from school.
- Motorists need to slow down, pay attention, stay off their cell phone and don't be a distracted driver. Police will be patrolling housing areas and the school zones strictly enforcing the speed limits and looking for other violations (cell phones, texting, etc.) and violators will be cited.
- Parents or motorists should report anything they see that doesn't appear right, to parents, teachers, police, or someone else in a position of authority. This is our community and it takes all of us doing our part to keep it and our children safe.
- **New Commissary Parking.** Parking accidents and backing accidents in parking lots are the major causes of accidents on post. The new Commissary has two-way traffic so drivers must use caution when parking and backing to avoid hitting a vehicle or a pedestrian/bagger.
- **Child Safety Seats.** DPS, Fire and Police have trained personnel that can check child safety seats to ensure they are installed properly. Personnel can contact our Community Police section at 255-3273 if they would like to make arrangements for this service.
